SAMPLE TEST DOCUMENT — NOT VALID

Final Inspection Report — CAP-104

Inspection evidence for missing-traceability test

Document number	LS-QA-CAP104-IR-017
Issue date	28 October 2026
Supplier	Lotus Mould Co. Ltd.
Revision inspected	B

Inspection summary

Field	Result
Product code	CAP-104
Drawing reference	DWG-CAP104-02, Revision B
Inspection lot	FG-261028-04
Quantity inspected	50 pieces
Disposition	Accepted in this fictional sample

Note

An inspection lot is named, but no record links the raw-material lot to the finished-product lot. This is not sufficient by itself to demonstrate the requested traceability chain.

Testing note: This document is synthetic and created solely to test document extraction, evidence matching, status handling and reassessment. It must not be presented to a buyer, regulator, auditor or certification body.
