SAMPLE TEST DOCUMENT — NOT VALID

Batch Traceability Record — CAP-104

Synthetic lot-to-batch traceability record

Record number	LS-TR-CAP104-2026-104
Issue date	30 October 2026
Supplier	Lotus Mould Co. Ltd.
Product	CAP-104 Cover Cap

Traceability chain

Traceability field	Recorded value
Raw material	Polypropylene (PP)
Material supplier lot	PP-LOT-260901
Goods receipt reference	GRN-260905-118
Production batch	MFG-CAP104-261028-04
Finished goods lot	FG-261028-04
Inspection report	LS-QA-CAP104-IR-017
Dispatch reference	DISP-261030-022

Test note

All identifiers are fictional. For TC01, this record is intended to satisfy the buyer's traceability evidence request.

Testing note: This document is synthetic and created solely to test document extraction, evidence matching, status handling and reassessment. It must not be presented to a buyer, regulator, auditor or certification body.
