SAMPLE TEST DOCUMENT — NOT VALID

Product Specification — CAP-104

Controlled product specification

Document number	LS-CAP104-SPEC
Revision	B
Issue date	15 September 2026
Supplier	Lotus Mould Co. Ltd.
Product	CAP-104 Cover Cap
Status	Released for production (fictional)

Product details

Field	Declared value
Product code	CAP-104
Product name	Cover Cap
Material	Polypropylene (PP)
Colour	Natural white
Drawing reference	DWG-CAP104-02, Revision B
Intended use	Protective cover for industrial assembly

Revision history

Date	Change
02 March 2025	Initial specification
15 September 2026	Updated dimensional tolerance and drawing reference

Control statement

This synthetic sample states that Revision B supersedes Revision A for this test scenario.

Testing note: This document is synthetic and created solely to test document extraction, evidence matching, status handling and reassessment. It must not be presented to a buyer, regulator, auditor or certification body.
